

## PARENT ADVISORY COUNCIL (PAC) Release of Information

St. Joseph the Worker school provides many opportunities for parents, grandparents, and family members to participate in school activities. The Parent Advisory Council plays an active role in enhancing the school but need your help to do that. Volunteers are welcome and encouraged to come and help in and outside the school.

There are times when we will need to contact you directly to inform you of events, updates, fundraising and/or volunteer opportunities and details. Because we operate as an association that is completely separate from the school, communicating with our parents can sometimes be a challenge. It is imperative that you read the school newsletter and watch the bulletin board and entrance doors for updates and announcements so you don't miss out on an opportunity to get your volunteer (6) and fundraising (2) credits each term.

Please ensure you fill out and submit the Volunteer Incentive Cash Back Form for all your time spent volunteering and the fundraisers you participated in. **This information is required to confirm that you have completed the required number of fundraising/volunteering credits. Cheques will be returned upon confirmation.**

In the interest of keeping yourself informed and to assist you in completing your credits, please provide the contact information you wish to be contacted through for this type of correspondence with us.

ONLY ONE FORM PER FAMILY IS NECESSARY. PLEASE USE OLDEST SIBLING.
