

St. Joseph the Worker School

Birthday Party Policy

1.0 Policy

The St. Joseph the Worker School Board maintains that during school hours, any parents wishing to celebrate their child(ren)'s birthday with their child(ren)'s class may bring a treat which includes cookies, cupcakes, and or cake as a birthday snack. Please take note of any allergies present in your child(ren)'s class. Parents must provide plates, napkins, and cutlery as needed. Parents must be present to cut and serve the snack; they must also help clean up. Approval from your child(ren)'s teacher is required prior to any celebration. Discuss the appropriate date and time with the teacher.

Parents are asked to note that this is meant to be a celebratory snack only. **Approval from your child(ren)'s teacher is required prior to any celebration.** Birthday meals, entertainers, and other miscellaneous items or activities must be held outside of school hours.
