

ST JOSEPH THE WORKER SCHOOL

RESPECTFUL WORKPLACE POLICY

St Joseph the Worker School believes everyone is entitled to be free from harassment, discrimination, and violence, and is committed to providing a safe and respectful environment for all staff, students, parents, volunteers, and visitors so far as reasonably practicable.

No one, whether they are a staff member, student, parent, volunteer, or visitor should be subjected to discrimination, harassment, bullying, disrespectful or violent behaviour, for any reason, at any time. And no one has the right to discriminate against, harass, bully, show disrespect or violence towards anyone else, at work or in any situation related to employment.

Please assist us to contribute to this environment by adhering to respectful behaviour in all of your dealings with our school and encouraging your children in such. We thank-you for your assistance in making our school a wonderful place to teach, learn, volunteer, and visit.
